# WHY US !!

## Overseas Recruitment Process

Konnect Talent HR Consultancy follows a well-defined process and method. As an International recruitment agency, we cater to the needs of diverse industries like Construction, Hospitality, Engineering, Medical Services, Oil & Gas Shipping and so on. International companies normally issue a demand letter detailing job spaces, letter of authority empowering sources to act as their recruitment consultants in UAE and to deal with visa and other procedures. The overseas company also forwards a draft of employment agreement between the employer and employee. Konnect Talent HR Consultancy then initiates the process of calling for applications from candidates, shortlisting and then calling selected candidates for tests and oral interviews either by the employer or his authorized representative at suitable locations in UAE. Konnect Talent HR Consultancy, the HR recruitment agency provides logistic support. Sometimes employers abroad delegate responsibilities to Konnect Talent HR Consultancy.

As an overseas placement agency, we follow a defined process to ensure selection of only the perfect candidate matching the job profile. Industry experts in each field are called upon for interviews and tests jointly carried out with executives in HR specialization at Konnect Talent HR Consultancy. As a manpower recruitment firm, Konnect Talent HR Consultancy also arranges medical checkup of selected candidates at authorized centers. This is followed by initiating the visa process with the Embassy of the country of the employer, followed by ticketing and immigration processes. Konnect Talent HR Consultancy, also gives a basic orientation program for chosen and dates prior to leaving UAE. Informing them about labour laws of the country of employment, work environment in the company and other information.

## Office Network

We provide easy access to the best talents with a wide spread network of offices located in all the major cities of the country. While our Head office is located at Abu Dhabi, UAE, we have our associate at, Government of UAE, Department of foreign Employment. We also have international associates in neighbouring countries like **India**, **Nepal** and **Bangladesh**. Our wide spread network enables us reach out to the widest audience, meeting all the recruitment needs of any organization.

## Our Work Process

We pro-actively tap the market for excellent candidates. Once the candidates have been identified, we conduct in-depth interviews with each individual, and obtain detailed information (on topics such as educational background, experience, job history, career goals, personality traits, compensation etc.).

## Our Team & Infrastructure

We are equipped with powerful integrated recruitment technologies and have a team of seasoned expert recruiters. We have all the latest facilities in the areas of communication, frequent transport etc., leading to expedition of the entire process. Additionally, all our recruiters have significant management experience. For most of the posts, they have "been there and seen it all". They understand the job requirement completely and appreciated that it is the human resources that the backbone of an organization's success.
